

Our Services

We offer companies a range of marketing, marketing communications and event support. Some of the services we can provide are:

- ▶ Marketing materials, sign-creation, updating and/or revising of presentation & training materials
- ▶ Assistance with campaigns to help generate web traffic and/or meet specific marketing & sales goals
- ▶ Web site content creation, producing newsletters, editorial assistance, report analysis and production planning for sites
- ▶ General marketing projects management including working with outside agencies and/or in-house company resources to meet your deadlines
- ▶ Tradeshow arrangements covering everything from initial booth setup to staff scheduling & travel arrangements
- ▶ Technical manuals, datasheets, copywriting and other documentation projects
- ▶ Assistance with artwork for company items such as lobby artwork and company giveaways such as t-shirts, hats, coffee mugs and related items.

About Us

LeBlanc Consulting Services, Inc. has a collective experience of over 15 years in the high-tech industry.

We've helped large and small companies with marketing and marketing communications projects. If you need assistance with your marketing efforts we would be happy to work with you to determine how we can help make your marketing projects successful.
